

HEALTH AND SAFETY POLICY STATEMENT

This is the Health & Safety Policy Statement for ISL Waste Management. ISL Waste Management accepts our responsibility towards health and safety for employees and others who may be affected by our activities.

Our Statement of General Policy is committed to:

1. Comply with BS OHSAS 18001:2007 and applicable legal requirements;
2. Provide adequate control of the health and safety risks arising from our work activities. To consult with our employees on matters affecting their health and safety;
3. Provide and maintain safe plant and equipment;
4. Ensure safe handling and use of substances;
5. Provide information, instruction and supervision for our employees;
6. Ensure all employees are competent to do their tasks, to give them adequate training;
7. Prevent accidents and cases of work-related ill health;
8. Maintain safe and healthy working conditions;
9. Ensure risk assessments and control measures are communicated throughout the organisation and the Health and Safety Policy will be available to interested parties via our website and other means;
10. Review this health and safety policy and system periodically so that its performance can be measured and continually improved.

A handwritten signature in black ink, appearing to read 'Barry Donaghy'.
